# OBJECTIVES

What God wants for us in our finances is simply AWESOME! And He wants to help us. But there is a catch – we need to think about finances, make financial choices, and take financial actions His way. We discovered through the pages of Scripture that God has much to say on how to do exactly that. In review, He wants you to:

- *Experience financial security*
- *Experience His faithfulness in your finances*
- *Experience the freedom to DO what He has called and equipped you to do*
- *Experience true financial freedom*
